## Ashford Carbonell get-together

Just a reminder that the pre-visit get together takes place at Ashford Village Hall on Saturday 16<sup>th</sup> May between 1pm and 3pm. ALL members are invited to attend, bring a picnic lunch or sandwiches (some to share if you like). The bar will be open. It is a good chance for NEW members to meet their fellow travellers, Committee members will be present, the visit programme will be explained and we will answer any questions you may have. To give an idea of numbers, if you are planning to attend let Dave Mulliner know on ; [dave.mulliner@madasafish.com](mailto:dave.mulliner@madasafish.com) Or 01584 873293.

## Spare seat to France

Due to unforeseen circumstances there is a spare seat on the coach for the visit to LFM this May. If there is any member, or family member or friend, who would like, at this late stage, to come on the visit then please contact Dave Mulliner by the means mentioned above.

**Students and exchanges**

Exchanges between Schools and Colleges, covering both academic and vocational training fields are part of our mission. So, too are cultural activities (for example: music, singing, theatre, dance) with a particular emphasis on involving young people. Social exchanges, especially between families and groups are also encouraged, as are sporting activities, with the involvement of clubs and societies to encourage exchanges. We support sustainable economic activities in industry, agriculture and crafts undertaken by individuals or through professional associations, including apprenticeships and traineeships.

At this time of year we always have requests from French students who wish to spend some time in the UK. This year is no exception. Merlin Unwin Books on Corve Street have a young French lady from Paris coming to work for them for two months starting on May 11<sup>th</sup>. They are looking for help with **paid** accommodation. If you are interested, and it may be a chance to improve your French then contact Dave Mulliner.
